LEFT VOICEMAIL AT CECIL BOARD OF EDUCATION**

ELKTON – On September 12, 2025, the Cecil County Sheriff's Office investigated a voicemail received by Cecil County Public Schools in which the caller demanded a Cecil County employee be fired over social media posts about the assassination of Charlie Kirk. The caller stated in the voicemail that the employee needed to be fired "otherwise you people are going to die."

After the Cecil County Sheriff's Office completed an investigation, the case was forwarded to the Office of the State's Attorney for review. After reviewing the law and information gathered by the Cecil County Sheriff's Office, the Office of the State's Attorney has determined it can not proceed with criminal charges. The statement made by the caller does not meet the elements outlined under Maryland criminal law.

The Office of the State's Attorney will continue to work with our law enforcement partners to thoroughly review and take seriously any statements that are made regarding harm to an individual or group of individuals. Each case forwarded to the Office of the State's Attorney will be reviewed objectively, and if applicable, charges will be filed against those who threaten others within our community, as the safety and security of the citizens of Cecil County will always remain of utmost importance.
